Vue

## PERSONAL PROJECTS

### Media Server (2018 - Present)

- A personal server that hosts everything from the website of my band to a media streaming platform.
- Most services on my server are hosted using Docker.

### Argon (2016 - Present)

- I play guitar in a band called Argon. A good creative outlet.

### MailScanner (2023 - Present)

- Application that scans my mailbox for invoices and downloads them to my server.

### Dotnet Key (2023 - Present)

- A NuGet package that adds a CLI command. Used to generate secure hashes for use cases like application keys.

## ACHIEVEMENTS

### Microsoft 70-483 Programming in C# (2020)
